CUP UPDATE

WEST HAM DEMOLISH UNITED BUT ARSENAL LOOK THE FAVOURITES

West Ham may be having a pig of a Season in the Premiership but they managed to whack Man United 4-0 to remove the tournament favourites. The selections have been decimated and **Watt D Foxhat** is the only person with 2 selections in the Last four. 63 others have one single selection. Apart From Arsenal **Steve Fife** and **Highbury Hammer**

Have West Ham to win the cup while **Rod Wallington** has Birmingham and These two have drawn each other in the semi and Arsenal have drawn Ipswich.

IN THE IN BOX

Alan Pardew = a man who has seen the sack more times than George Michaels chin!

69 days underground will seem like nothing to the Chilean miners compared to the wait for the final whistle at Old Trafford

Matt Arnot dear oh dear

We lost the world cup bid and I'm clutching at straws here, but is there any chance Beckham counted the England votes?

If I were to write an essay on Arsenal's 2010/11 season, it wouldn't have a title.....
