“God F’kin help us Steve White’s top 10”

ANOTHER SONG REFERENCE THIS MONTH AND THIS ONE IS TO 'THE BARD OF BRISBANE ROAD' STEVE WHITE WHO AFTER A TORRID COUPLE OF SEASON'S IS IN 7TH PLACE!! ANYWAY BACK TO THE TOP AND 'DUTCH' HOLLAND IS STILL TOP WITH AN INCREASED MARGIN OF 5 POINTS OVER 'WE HEAR NO AMERICANO' (MATT HISCOCK) AND COCKNEY REDS (ALAN STONEBRIDGE) WHO IS 3RD, TONY KITE AND CHRIS PAYNE ARE 4TH AND 5TH ON 44 POINTS. WHILE 4 PEOPLE ARE LEVEL ON 43 POINTS AND THEY ARE JOHN SAMUELS, STEVE, 'ALL OR NOTHING' (LARRY DAY) AND STEVE WOODHOUSE THE LAST PRIZE PLACE IS CURRENTLY HELD BY WESTWARD HO! (MICKY SMITH). STILL A LOT OF PEOPLE IN CLOSE CONTENTION AND JIM WEBB, STEWIE'S FLUX CAPACITOR, DARREN DARVELL, KEITH LLOYD AND CAMPBELL'S GRAFTERS ARE ALL PRETTY CLOSE.

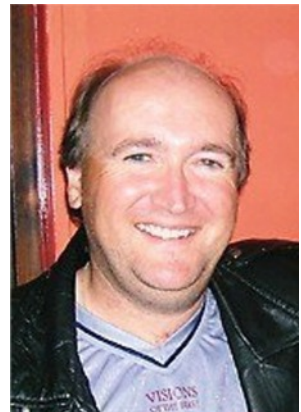

STEVE WHITE

LARRY DAY

STEVE WOODHOUSE

CHRIS PAYNE

AT THE BOTTOM OF THE TABLE METIN SELIM, CHRIS SIMS AND STEVE MARTIN (NOT THE ONE FROM THE TRYST) ARE LEVEL ON A HIGHLY RESPECTABLE 22 POINTS. THIS LEAVES MISS TWEOKIE A POINT BEHIND ON 21 AND AUSTIN AMADI ON 19, LEAVING BAKERBOY XXX (KEVIN BAKER) MAROONED AT THE BOTTOM ON 16. THE LEAGUE CUP POINTS HAVE ALSO BEEN ADDED TO THE TABLE AND ONCE AGAIN ARE GOING TO PROVE VITAL IN THE THIN LINE BETWEEN WINNING AND NEARLY WINNING. SO AT PRESENT WE'RE LOOKING GOOD FOR A NEW NAME ON THE WINNERS TROPHY AND THE WOODEN SPOON FOR THAT MATTER. BUT I'M SURE THERE'S STILL SOME TWISTS AND TURNS BEFORE MAY.

IN THE IN BOX

Gooners special

I don't think its appropriate to make jokes after this tragedy. I know its hard to feel sorry or sympathy cos they're foreigners, but we have to remember they lost everything in almost an instant. They've been left with nothing.... Still there's always next season for Arsenal.

Arsenal took part in a celebrity Mastermind The other week, they scored 0 Points and 736 passes!

I saw an ad in the paper for rubbish clearance so I rang the number, Laurent Koscielny answered

Any Liverpool fans having trouble with facing a 6th year without a trophy can find advice from communications@arsenal.co.uk

In light of Fulham's decision to erect a Michael Jackson statue, Arsenal are also planning on putting up a new statue outside their own ground. A lifesize replica of Bullseye legend Jim Bowen will be placed outside, with the plaque reading: "Let's have a look at what you could have won!"

I'm not sure that 3 cup competitions are enough. Arsenal could easily get knocked out of many more if they had the chance!!

Arsenal to sign Heimlich - it's the only way they're going to stop choking !

Cesc Fabregas: "I will not leave Arsenal without silverware. So i guess he signed that 5 year deal then!

Flog it. A programme on BBC where people bring things to auction that they have no use for anymore. Wenger is on Mondays episode selling Arsenal's trophy cabinet

CUP UPDATE / Carling Cup Final

THE SEARCH FOR SILVERWARE CONTINUES AS BIRMINGHAM BEAT THE GOONERS

If Birmingham City held one advantage over Arsenal it lay in the art of endurance. A side striving not to fall out of the Premier League reached a peak in their history by defeating opponents who took far too long to discover impetus in this Carling Cup final. After 89 minutes, the substitute Obafemi Martins thrived on hapless defending to notch the winner. Alex McLeish's side had brought the club their first trophy since taking this prize in 1963. Well at least Andy Gallon was happy and probably the only 'blues' fan in the Fiddle. So once again points were at a premium and nobody scored more than 3 points Although the kudos should go to Rod Wallington for being the only person to Have Birmingham City to win the competition. Amongst the people picking up 3 Points were: Blackpool O (Lee Swallow), Dave Haymes, Ken Mortimer, Paul White, Steve Martin (Tryst bar), Wayne & Kevin, Tweekie, Alan Edwards and 50 percent.

FA Trophy Final

This seasons FA Trophy final will be contested between two ex-league clubs. Mansfield Town saw off Luton Town 2-1 on aggregate, whilst Darlington beat Gateshead 3-2 on aggregate and they will meet in the final at Wembley later in May. 3 people have potential bumper points with the two trophy finalists And a correct losing semi finalist and they are Chris Sims, 'I'll get it' and Stuart Mansell. Other people who will get decent points out the trophy include: Billy Holland, Amanda White, Blythe Spartans, Chrissy Baxter, Paul Lloyd and Paul Touse. Hats off to Cockney Reds (Alan Stonebridge) who had 3 out the Last four as well but not in such good order.

FA Cup Semi Finals

Manchester City Vs Manchester United
Bolton Wanderers Vs Stoke City

Loads of Man City's and Man United's but 3 players have made inspired Selections Jim Webb, Nick Burns and Tom Davies have all picked Bolton Wanderers, Jim and Nick losing s-f and Tom losing finalists - top draw!
